Making the World a Safer Place | rdindustries.com

Why Closed Loop Matters for Mixing Concentrates

SAVE MONEY

- ▶ Fewer mixing mistakes
- ▶ Less wasted concentrate
- ▶ Optimised product performance
- ▶ Better efficiency with automation

REDUCE RISK

- ▶ More control over solution strength
- ▶ Fewer workplace spills, accidents & injuries
- ▶ No contamination
- ▶ Environmentally friendly
- ▶ Better mixing accuracy

**NO Drips.
NO Spills.**
